

Letter TV Program #24: I		
1	You're watching Letter TV. Today's featured letter is I. [Letter is yelled out by a group of kids.]	Network style logo "Letter-TV" flies by and makes room for the letter I.
2	Peri: Hello and welcome to another episode of "Incredible Eating." I'm your host, Peri Od.	Title, with Peri holding a fork with bib around his neck.
3	Peri: In this show I'll be eating some incredible food. We'll start here *in "Inkie's Restaurant"	Peri sits at a table holding a menu that says "Inkie's Restaurant" on the outside.
4	Mark: Hello, my name is Mark Question and I'll be your waiter today. Is there anything I can get you?	Mark prepares to write Peri's order on a note pad (towel draped over his arm like in a fancy restaurant).
5	Peri: The only item on your menu is *ice.	Peri's view of the menu: Ice - \$1.00 Ice - \$2.00 Ice - \$100.00
6	Mark: We only serve *ice--well, except on hot days.	Mark and Peri discuss.
7	Peri: What do you serve on hot days?	Mark and Peri discuss.
8	Mark: *Ice, but on hot days it melts into water--*ice water. If you don't like *ice, I'd recommend Doug's Downtown Deli.	Thought bubble over Mark's head shows ice in glass melting into water.
9	Peri: Why don't you watch this while I go to Doug's Downtown Deli.	Peri into camera.
10	Announcer: This is the letter I. And this is also an eye. One is a special letter called a vowel. The other is used to see things. Without the letter I, we couldn't have words like *in and *it. Without our eyes, things would look like this.	Brick wall set. Letter I appears, followed by eyeball. Letters T and N appear to make words. Scene fades to black.
11	Comma: Hello, I'm Comma Commentator. Letter News would like to let you know that the insect ice hockey team is coming to...I'm sorry, I can't read this. Where are they coming? Whooooa! I guess they are coming here. Go, Insects!	Comma in news set. Several large insects in hockey uniforms run through, knocking Comma down. Comma waves an Insects flag.
12	Peri: We're back with Incredible Eating. I'm about to go *in Doug's Downtown Deli and see what's incredible that I can eat.	Peri outside Doug's Downtown Deli. Temporary repairs have been done to the door since the dog/duck damage.

13	Peri: Hello, Inspector.	As Peri walks in, Don the Detective walks out of the deli and nods hello.
14	Coco: Welcome to Doug's. I imagine you'll have the special.	Coco is behind a diner counter.
15	Peri: That sounds interesting. What is it?	Peri is on the other side of the counter.
16	Coco: *Ice cream.	Coco points to sign that says "Today's Special" and "Ice Cream."
17	Peri: *Ice cream? Is there anything else on the menu?	Peri at the counter.
18	Coco: No. The only ingredient we use is *ice cream.	Coco shrugs.
19	Peri: I think I'm going to be ill. Let's have a Letter Music break while I try to find something incredible to eat.	Peri shakes his head and closes his eyes like he's disgusted, then looks into camera at "Let's have..."
20	I Song: Mr. I and Mrs. It, Made for each other, a perfect fit! Well, he's long and lean, And she's short and small. But they dance mighty fine at the evening ball. Yeah, yeah, yeah. Ooh, ooh, ooh.	Worm couple dances to the Insync Insects band.
21	Peri: I'm *in luck! Irving Iguana has invited me to his island restaurant. It looks like I'm going to do some incredible eating after all!	Peri on an island. Large sign in background shows a caricature of an iguana and says, "Irving's Island Restaurant."
22	Peri: Um, yes. I'll have the number seven. Thank you.	Peri sitting at table, ordering from a menu. The view shifts to show us his waiter is a huge ice monster.
23	Peri: [whispering to camera]The last time I had an *ice monster for a waiter, I was *in an igloo.	Monster walks over to oven in background while Peri talks to camera. Peri's back is to the monster so he can't see him.
24	Peri: YUM! It smells INCREDIBLE! I can't wait.	Peri looks eager.
25		Ice monster goes to hot oven to take out Peri's food. The heat from the oven melts the monster.
26	Peri: We're out of time. I guess I'll have to tell you about it next time on Incredible Eating!	Peri is oblivious to what has happened.
27	Peri: I hope it is as good as the Italian food I had the other day. It sure smells good! I wonder if they are cooking *in an iron skillet? Hello? Is anybody there? I'm	Camera continues to pull back, revealing Peri is the only person in sight and his food is still sitting on the ground near the puddle that was the ice monster.

	hungry.
